

Primary A

Primary A is a Kindergarten Level Classroom. The program is both Monday and Wednesday and both days are required. See the Tuition Schedule for monthly fees.

On a typical day, the children begin the day with Language Arts by copying the letter of the day or the word(s) of the day which comes from what they are learning about that week. Then, the teacher will read a book to the class. For example, they will read the story, "The Lost Mitten," and then do activities based on the theme of winter.

After their Language Arts time, students join Primary B for recess. We have a covered playground as well as a fenced-in field for group games.

After recess they have lunch and center time.

Afternoon classes on Monday: Music and Spanish

Afternoon classes on Wednesday: Community Helpers and Bible Class

The class finishes the day with either recess or indoor games.
