

Tutoring

Small Group Tutoring

Small Group Tutoring (SGT) is an additional service that we offer at My Village to offer support with Math and Language Arts. SGT includes membership in the online program, Acellus. Children are withdrawn from their classes 1-2 times per day, depending on their needs, to work in a small group (up to 5 students). We have 1-2 teachers on staff specifically for the purpose of working with students on their Math and Language Arts. When you enroll in this program, you understand that you are making a commitment for at least ½ of the school year. Some students only use the program at home (\$40 a month); however, we assist them with class selections and monitoring progress.

Enroll in August or near the beginning of the school year: Committed through December. This allows time for adjustments to be made if your child needs it.

Enroll January or later: Committed through the end of the school year (May).

Small Group Tutoring Rates:

1 day a week: \$60/month

2 days a week: \$85/month

3 days a week: \$100/month

4 days a week: \$115/month

One-on-One Tutoring: Sliding Fee Schedule (no additional sibling discount)

My Village students that currently attend classes receive a discount.

Length of session	Non-student Rate	My Village Student Discounted Rate
45-minute session	\$45	\$35
30-minute session	\$30	\$25
