

## 2025-26 Math and Language Arts Options

### **Small Group Lessons (Miacademy)**

#### How it works

For students who are enrolled in the program, we use an online program called Miacademy. Students are pulled from class 1-2 times per day, depending on their needs and whether or not they are using the program at home. The teacher will prepare materials for each subject, monitor their progress and be there for any questions or extra support. Although you may enroll your child in a wide range of classes through the program, we only monitor Math and Language Arts.

Small Group Miacademy will be available for Primary B, C, D, Tween and Teen classes. Primary A will have these core subjects in their classroom. Registration options are available for both Language Arts AND/OR Math.

#### Prices (no sibling discount):

Monthly tuition may be adjusted if your child only needs to be pulled from class once a day instead of twice a day; Mrs. Lisa will consult with parents individually. See the Tuition and Fees Schedule for details.

### **Individual Tutoring**

#### Language Arts

We typically use the curriculum *All About Reading* to instruct students in individual tutoring. See the Tuition and Fees Schedule for our rates.

#### Math

We will no longer offer individual tutoring for math at My Village. This may change in the future, however, for the 2025-26 academic year, it is not in our plans.
