

Tutoring Services

My Village Learning Center offers individualized tutoring in **Reading, Language Arts, and Math** to help students strengthen foundational skills, build confidence, and make meaningful academic progress.

Tutoring sessions are tailored to each student's needs and may include direct instruction, guided practice, skill reinforcement, and support with current curriculum. Our tutors work closely with families to ensure that tutoring aligns with the student's academic goals and learning style.

Tutoring is available at two locations:

Church of the Advent (COTA) - K- 5th Grade

- 45-minute sessions

New Hope Location (6th - 10th Grade)

- 50-minute sessions

See Tuition and Fees Schedule for rates.

Tutoring is available for both **students currently enrolled at My Village Learning Center and students who do not attend regular classes.**

Parents may provide their own curriculum or consult with our administration to select materials that best support their child's learning needs.

Space is limited and tutoring is scheduled by appointment. Families interested in tutoring may submit a **Tutoring Registration Request** to begin the placement process.
