

Math and Language Arts Options (1st - 5th Grade)

Small Groups: Teachers work with students in-person (up to 4 students at a time) on Math and/or Language Arts in small groups using a curriculum provided by My Village (Miacademy.)

Small Group Registration Fees (includes workbooks and/or printed copies)	
Number of Subjects	Monthly Rate
1 (Math or Language Arts)	\$160
2 (Math <i>and</i> Language Arts)	\$240

Tuition for small groups is based on the number of times per week the student works in small groups while at My Village. Students typically have 1 session per day for L.A. and 1 session for Math. The frequency of a student's scheduled sessions will be agreed upon during an Education Plan meeting.

Small Group Tuition	
Number of sessions per week	Monthly Rate
2	\$100
3 - 4	\$200
5 - 6	\$300
7 - 8	\$400

Example #1: A student registered to attend Mondays and Wednesdays can be registered for small groups and work on their Math OR Language Arts once a day on each day (2 sessions per week.) The tuition would be \$100/month. **Students will need to continue their lessons at home.**

Example #2: A student registered for 4 days a week of attendance and both can work on Math and Language Arts while at My Village; one session for Math and one session for Language Arts for a total of 8 sessions per week. The tuition would be \$400/month. **Students may need to continue their lessons at home in order to complete the program by the end of May.**

Individual Tutoring

Individual Tutoring Rates (K-5th grade)	
45-minute session (full block of normal classes for enrolled students) - either Math or Language Arts	\$50
